The journey that began three decades ago has successfully become a symbol of Excellence, Innovation, and Reliability for surgeons across the world. Strictly following the guidelines of the FDA , all our procedures are documented, and every process is monitored at every level. We are committed to providing you with the best.

We are a family owned and managed manufacturing unit that aims to provide solutions to our customers' everyday surgical instruments needs and challenges.

We aim to provide excellent customer service and we promote a 'can do' culture. We aspire to being the easiest company in the market to deal with for any and all of your surgical instrument's needs.

At all times we aim to provide high-quality surgical products with quality matching German made instruments. Our instrument range is regularly updating and growing with the newest technological advances. We are proud to offer cutting edge surgical instruments at competitive, value for money prices.

SHMUDZ attempts to continuously improve the quality, reliability, and cost of all its manufactured products and services. SHMUDZ works closely with all our strategic managers to develop continuous improvement systems that will bring value to our organization. Systems may range in scope from:

- Improved Quality
- Customized products for special needs customers
- New products or existing product enhancements
- Provision of engineering diagrams
- Cost Reductions
- Productivity improvements
- Package designing and innovation
- Surgeries catalogue demonstration
